

Known as the 'Blue Pearl' of

Mongolia, Hovsgol Lake is located in northern Mongolia on the border with Russia. Hovsgol Lake National Park differs from other national parks in the world. The Tsataan people live here - reindeer herders who live in tepees - with their shamanic traditions which have existed for thousands of years. Explore Northern Mongolia on horseback as you travel from the vast grassland of the steppes, to the green, forested hills of northern Mongolia. This tour is a fantastic holiday!
